

WORKSHEET STORYBOARD CASE 1: TADALA AND YOHSNR: I RESPECT YOUR LIMITS

Tadala and Yohsnr have been together for 6 months. The more they are together, the closer they feel to each other. Yohsnr wants to show his love to Tadala by making love to her through sexual intercourse, but it's too soon for her. She already told him that she wasn't ready, but he doesn't listen, because his feelings are so strong.

Your job:

- Finish this dialogue by giving text to Tadala, and make sure that Tadala can make her point in a clear way.
- Also think of a solution so that Yohsnr can still show his love and feelings of arousal to Tadala, but in a way that is okay for Tadala. They are in this relationship together.

The end:

Yohsnr and Tadala look back:

Yohsnr: "I am glad I talked to Tadala about this. I felt it was so important for me to have sex, because I thought having sex would make me a real man.

But actually I think I am more of a man when I am a good lover and respect her limits. Because of this conversation our relationship has grown and I'm sure we will go whole the way someday."

Tadala: "It was not easy talking with Yohsnr about this, because he really wanted to have sex with me and I have always been taught to keep quiet and put the wishes of a man above mine.

But I'm glad I stood my ground and also respected him at the same time. You know what? He actually is so much more attractive to me now, because he respected my feelings."
