

SOLUTION CASES STORYBOARD: COMMUNICATING WISHES AND LIMITS

Text in blue is suggestions for answers. You might think of other answers as well.

Solution case 1: Tadala and Yohsnr: I respect your limits.

- Yohsnr: Tadala, I think it's time for us to show our love.
 Tadala: I understand you want to be more intimate, but you know I'm not ready. So we have to talk about it, because we are in this relationship together.
- Yohsnr: But I have a dream; it's time for me to become a man.
 Tadala: *You are a man, even if you are not having sex!*
- Yohsnr: It's the only way; all my friends are doing it.
 Tadala: *I want you to be happy in this relationship, Yohsnr, and I can see that you having to wait is frustrating for you. But, I'm not having a relationship with your friends, but with you. If we have a strong relationship we have to figure this out together.*
- Yohsnr: Yeah, that's right. I am happy you can also see my point of view. And you know, I think you're right. I wouldn't want to force you into sex. I love you!
 Tadala: *I'm glad you are respecting my limits. And if I don't want to have intercourse with you, that doesn't mean I don't love you; we can be close in other ways.*
- Yohsnr: Really, you want to do that? So what would you like to do?
 Tadala: *Well, what about really nice and long wet kissing that will take your breath away.... Shall I show you? Come with me...*
-

Solution case 2: Chikondi wants to be more intimate

- Chikondi: Hi Wongani, I've been thinking. You know we've been talking about getting more intimate with each other?
 Wongani: Yes, but we agreed we don't want to go all the way yet.
- Chikondi: *Yes, that's true, but I've learned there are many more ways we can be intimate with each other besides having intercourse. And still abstain until marriage!*
 Wongani: Really? Like what?
- Chikondi: *Well, we can kiss, we can caress each other, and we even can use our hands to feel beneath each other's clothes.*
 Wongani: That sounds good. But....don't you think that's risky? We don't want to have intercourse yet, right?
- Chikondi: *Well, we can make our own choice together about how far we want to go.*
 Wongani: We can? What did your teacher say to you?
- Chikondi: *My teacher said that because there are so many things we can do before having intercourse; it makes it easier to abstain from intercourse. All these other activities can make us feel satisfied already!*
 Wongani: That sounds good, because I really want to abstain from intercourse until we get married.

Solution case 3:

Mudds: Oh Kali, I love you so much
Kali: I love you too, Mudds

Mudds: I'd like to go all the way with you
Kali: Oh no ... he wants to have sex, but I don't want to ... what can I say?

Mudds: But what do you want. Are you ready yet?
Kali: Ehm, well, since you're asking me. Not really ... I think we should wait until we know each other longer.

Mudds: Oh, I thought you wanted to, because we are kissing privately ...
Kali: I see the mix up. I just wanted to come with you, because I feel our love is something private, others don't have to see.

Mudds: Oh, yeah, that's true. Well, it is not easy for me to wait, but I respect your limits.
Kali: I'm so glad Mudds. That really means a lot to me.
